

Project: Recovery Support to Vulnerable Farmers

Union of Agricultural Work Committees (UAWC) is a non-profit organization that was established in 1986 in order to protect land from being expropriated by the Government of Israel and to improve the performance and professionalism of Palestinian farmers in the OPT. UAWC has worked with Oxfam and others on humanitarian programming and are a key partner of FAO throughout the OPT. UAWC is a long-standing Oxfam partner and is currently working together with Oxfam staff in Gaza to support farmers and herders. UAWC has extensive experience working with the agricultural sector in the Gaza Strip and has worked on delivering a number of agricultural projects with a range of donors. Having a wide network of offices in the Gaza Strip it is well placed to support the farmers and livestock owners who will be targeted through Immediate Outcomes 1110 and 1120. Within the project, UAWC will work to improve livelihoods and food security of vulnerable fisher-folk households through the rehabilitation of productive assets and job creation in addition to restoration of the productive capacity and stability of income for vulnerable herders and farmers
