

Project: Rehabilitating of storm water system

MA'AN Development Center is working towards sustainable human development in Palestine by building the capacities of Palestinian NGOs, CBOs and grassroots organizations; improving the food security situation of the poorest and most marginalized sectors of Palestinian society, and enhancing community development. MA'AN will support Oxfam in day-to-day implementation of the action under the supervision of Oxfam. MA'AN has been fully involved in the design of this operation, having participated in the assessment, consultation with local communities, and selection of the activities. MA'AN will also engage with local stakeholders. MA'AN's added value to the program will include technical knowledge, quality and understanding of partnership principles. MA'AN is committed to organizational learning and regularly makes improvements based on lessons learned.

Actor: MAAN Development Center

MA#AN Development Center is an independent Palestinian development and training institution established in January, 1989, registered by law as a non-profit organization. The main office is located in Ramallah and the four branch offices are located in Gaza, Khan Younis, Tulkarem and Jenin,. MA#AN's work is informed by the necessity of creating independent, self-reliant initiatives that lead to the development of human resources for sustainable development, which incorporate values of self-sufficiency and self-empowerment.

Financial
